

Procedure and policy for maintaining physical support facility

The institution has adequate infrastructure facility to facilitate effective teaching and learning. The institution ensures optimal allocation and utilization of the available financial resources for maintenance and upkeep the facilities in consultation with the different committees and head of the departments along with the students.

Maintaining electric,Drinking water facility

The principal has the full pledged team to maintain the infrastructure facilities and the equipment . The principal called technicians like electrician, plumbers, carpenters, welders and gardeners etc. according to the need. We have two water coolers and 2 purifiers in the college.

Maintaining class rooms

There are spacious classrooms and computer lab equipped with Air conditioner and proper ventilation. Each class room has elevated platform, so that the teacher and board is visible to all the students. Regular classes run from 10:00 A.M. to 4:00 P.M. The institution has well equipped computer lab with 20 computers with internet connectivity. The entire lab is connected with power backup .

Sports and NSS have separate office rooms. The college has an IQAC room which is used for IQAC meetings and discussions.

Maintaining Library facility

The library is spacious and well maintained. It is situated on the first floor with a study room. library has a reference section as well as the periodic section. The library facility come under the preview of the library committee constituted as per the rule. The working hour of library and the reading hall is from 10:00 A.M. to 4:00 P.M. There are two halls with smart board facility. that is used for ppt presentation.

Facility for specially abled students

The facilities meets the requirements of the physically disabled students. Stairs in the college are wide and spacious, convenient in using.. The college has a

separate grievance redressal cell. Senior teachers look after this unit. one complaint box is also there in college premises.

Utilization and Maintenance of Sports facility

Sports committee is constituted every year. The purchase of sports materials are monitored by the purchase committee of the college. The gymnasium is kept open from 10:00 A.M. to 4:00 P.M. Ex students and public use this facility regularly.

Maintaining Infrastructure

A separate purchasing committee and planning board looks after the needs of the infrastructure of the college. The planning board lists out the various requirements of the college in the beginning of the academic year.

Campus Maintenance

Tree plantation is done every year in the campus. A gardener is also there to maintain it. A committee is there to supervise the maintenance and beautification in the college.

Parking facility

Parking facility is there in college.
